

# F I C T I O N

Fiction is any story made up by an author.  
It is usually a creation of the author's imagination.

# NON-FICTION

A non-fiction book is one that shares facts and information. Non-fiction books are about something that really happened or something that really exists. Most non-fiction books have illustrations, diagrams and photos to support the information.

# BIOGRAPHIES

Biographies are true stories about someone's life. They can tell us about famous people, or ordinary people who have done important things or lived interesting lives

# FAIRY TALES

A fairy tale is a children's story in a magical setting about imaginary characters that may include fairies, witches, giants, and talking animals. They are usually traditional stories for children with an important message that have been passed down for years and years.

# POETRY

Poetry is a way of writing using patterns, rhythms, structures, and/or rhymes.  
Poetry is usually written to share feelings, emotions, or ideas.  
Poetry can be serious or funny. It is written to entertain.
